## EDUCATION

### Sister Nivedita University

Bachelor of Science in Computer Science and Engineering,  
Sep,2021 – July,2025

### Kakdwip Shishu Shikshayatan High School

Higher Secondary, Science, in 2021  
With 85% Marks

### Sundarban Adarsha Vidyamandir

10th BOARD EXAM in 20219  
With 79% Marks

## PROJECTS

### Password Generator

- **PREVIEW:-** [link](#)
- Created a secure password generator tool that enables users to generate passwords with customizable options (length, inclusion of uppercase/lowercase letters, numbers and symbols).

### Quiz Web Application

- **PREVIEW:-** [link](#)
- Built a responsive and engaging quiz platform with questions across multiple subjects. Implement features like dynamic question loading, instant feedback, and a real time scoring system, leveraging javascript for interactivity and tailwind CSS for responsive design.

### GST Invoice Generator

- **PREVIEW:-** [link](#)
- Developed a web application for generating and exporting GST tax invoices, enabling users to input customer and purchase details. Enhance operational efficiency for business and freelancers by providing an easy to use interface for invoice creation.

### Guess the Number Web game

- **PREVIEW:-** [link](#)
- Developed an interactive web\_based game where users have 10 attempts to guess a randomly selected number between 1 and 100. Implemented game logic and user interface using javascript and tailwind css, enhancing web development skills.

### NFT Landing Page

- **PREVIEW:-** [link](#)
- Designed and developed a modern, responsive landing page for an NFT platform. Focused on creating an engaging user experience with Tailwind CSS for styling, demonstrating proficiency in frontend development and design principles.

## RELEVANT EXPERIENCE

### INDIGG

- Clan Chief
- (Nov,2022-July,2023)

### Oasis Infobyte

- Web development and designing
- (Mar,2023-April,2023)

## TECHNICAL SKILLS

- Data Structures, Algorithms, Frontend
- C/C++, Javascript, C#, Python, Shell Script
- HTML5, CSS3, Tailwind CSS
- Oracle SQL
